

## Register Now

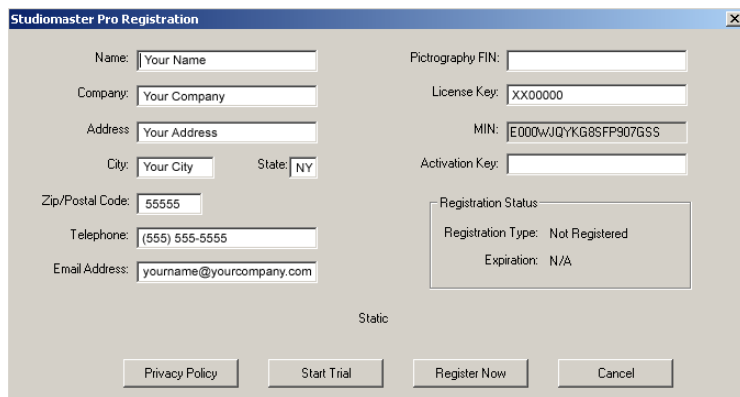

>>>To open and register *Studiomaster PRO*:

1. Double-click . If this is the first time you've opened *Studiomaster PRO*, a *Welcome* dialog box appears. Click [OK] to close the dialog.

**Figure 3-16: Welcome**

The *Studiomaster PRO* Registration appears.

**Figure 3-17: Studiomaster PRO Registration Screen**

2. Complete the fields.
3. Click **[Register Now]**. If this is the first time you have registered **Studiomaster PRO** for Version 3.0, the *Previous License Key* dialog box appears.

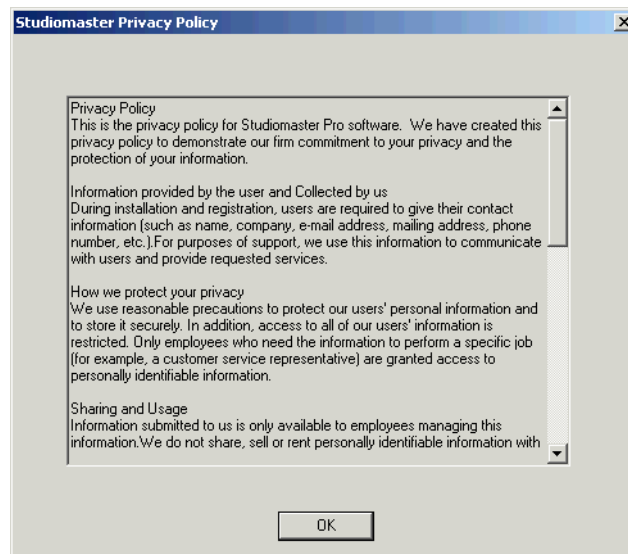

**Figure 3-18: Previous License Key**

*Note: If you are upgrading, your Previous License Key should appear in the field. If it does not appear, the field becomes active and you can enter it manually.*

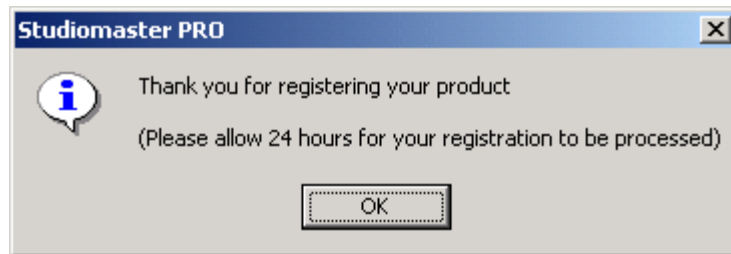

*Important: You can only upgrade on the same machine that Studiomaster PRO 2.5.1 was previously registered. If you use a different machine, you must register as a new product.*

4. Select either the **New Product** or **Upgrade** radio button.
5. To view the privacy policy, click **[Privacy Policy]**. The *Fujifilm Privacy Policy* appears.

**Figure 3-19: Fujifilm Privacy Policy**

6. Click **[OK]**. The *Fujifilm Privacy Policy* closes.
7. Click **[OK]**. If all fields are completed correctly on the *Studiomaster PRO Registration* screen, the following dialog box appears.

**Figure 3-20: Thank you for Registering**

*Note: If the data entered is incomplete or inaccurate, a red "X" appears next to the field on the Studiomaster PRO Registration screen.*

*If the computer is not connected to the Internet to register, the License Key field becomes active on the Studiomaster PRO Registration screen. You will be instructed to call a number so you can register the product.*

8. Click **[OK]**. The dialog box closes.
